BLACK FUNDERS NETWORK OF THE BAY AREA

Giving to BFN From Your DAF

DAF DAY 2026

What you need to recommend a grant

Thank you for giving to BFN through your donor advised fund. BFN is a fiscally sponsored project of Community Initiatives, a 501(c)(3) nonprofit. That means your grant goes to Community Initiatives, with a note that it's for BFN. Your DAF provider looks charities up by Tax ID, so please use the details below.

No DAF? You can still give online through our donation portal.

A FEW THINGS TO KNOW

- **Make it general support.** DAF rules don't allow grants that bring you something in return, like event tickets or membership benefits. A general support gift to BFN is always fine.
- **Allow some time.** DAF grants can take a few days to a few weeks to arrive, depending on your provider.
- **Tell us you gave.** Fill out our pledge form so your gift counts toward our DAF Day total on October 8th.
